

PRESIDIO

## Medical Reinsurance

*Medical risk assumed by insurance companies and other risk-bearing entities continues to evolve. Managed care, disease management, consumer-driven health care, and other types of medical risk management initiatives have altered traditional products and portfolios. Utilizing our extensive underwriting, actuarial and medical management expertise in all of these categories, we design reinsurance programs to meet the unique requirements of each client.*

### PROGRAM FEATURES:

- Covered entities include insurance companies, captives, health plans, and HMOs
- Fully insured and self-insured group medical, individual medical, student health programs, consumer directed health plans, and critical illness programs
